Benjamin Harrison appointed Latin American Sales Manager for Mate Precision Tooling.

Benjamin Harrison Appointed Latin American Sales Manager **For Mate Precision Tooling**

Anoka, Minnesota: Mate Precision Tooling, a world leading manufacturer of CNC punch press tooling, announced today the appointment of Benjamin Harrison to the position of Latin American Sales Manager.

In announcing the appointment, Michael Brown, Vice President of Mate's International Sales, stated that Mr. Harrison will be responsible for dealer and direct sales for Mexico and Latin America.

“Benjamin has a strong background in building sales teams in Mexico and Latin America for a variety of tooling and machine manufacturers including M. K. Morse Company, Grainger and most recently with Amada,” stated Mr. Brown. “He is fluent in Spanish and has spent over 15 years living and working throughout Mexico and Latin America. His appointment will further accelerate Mate’s growth providing products and services to important Hispanic manufacturing industries.”

Mr. Harrison is a graduate of Thunderbird the American Graduate School Of International Management in Arizona where he received a Masters of International Management degree. He also holds a BA degree in Anthropology from Colorado College specializing in Latin American cultures. Mr. Harrison spent five years living in Queretaro, Mexico while working for New Pig Corporation where he was responsible for onboarding their Mexico sales team for industrial products.
